BLOOMFIELD HOMES CONTRACT PRICE GUARANTEE

The Contract Price is the price you'll pay.

In the midst of an ever changing environment, Bloomfield Homes continues to offer our **CONTRACT PRICE GUARANTEE**.

Even if construction costs rise during the building process, Bloomfield Homes will respect the Contract Price because we believe a deal is a deal! Buyers can buy with confidence, trusting Bloomfield Homes throughout the entire process.

Bloomfield Homes is only able to do this because of longstanding relationships with suppliers, subcontractors and trade partners. We thank them for their support.

*Contract Price refers to the defined term in an executed Contract.
